ANDREW'S RING

The wedding ring that Andrew puts on today was worn by his father, Alan Hancock, who passed away when Andrew was a teenager. Andrew desires to honor his dad's legacy by wearing this ring. Alan's life and love for his family, along with Mom's constant support, continues and lives on to this day! We both have been greatly impacted by his memory and are humbled to honor him on our wedding day.

SARAH'S WEDDING DRESS

It was a special answer to prayer that Sarah's good friend, Katy Harris, volunteered to custom design and make Sarah's wedding dress! Katy and Sarah have been friends since they were teenagers.

SONGS

Grace Moffitt, sister of the bride, wrote two songs especially for us today: "Waiting on the Lord for You" and "We Have This Picture."

Waifing on the Lord for You

Waiting on the Lord for you

The future path a foggy view

Through the wait, and through the tears
God's faithfulness—it crowned the years

And this day I, I praise the Lord

And lift Him high

Each year He's given me what's best

Oh, those who trust Him are so blessed

I learned that Jesus is the best
And in His presence I found rest
He helped me see with heavenly eyes
That He will be my truest prize

And this day I, I praise the Lord
And lift Him high
Each year He's given me what's best
Oh, those who trust Him are so blessed

The love of Jesus is so deep
That He turns bitter into sweet
Through trials ahead He'll lead us on
With every night, He brings the dawn

And this day I, I praise the Lord
And lift Him high
Together we will Christ pursue
For He has given me to you

And this day we, we praise the Lord
For it is He
Whose given us this gift of love
A perfect gift planned from above

We Have This Picture

BY GRACE MOFFITT

The Lord designed a picture
To display His heart toward man
Intense, and filled with beauty
Is His sweet unfolding plan

Today we see that picture
In this union being made
For Christ is our true Bridegroom
And His love will never fade

We have this picture
This beautiful love
Gives us a glimpse of
Our Bridegroom above
And earthly marriage
Will one day grow dim
When with great joy we
Finally see Him

Amazing to consider

Just how close He bids us come

Yet equally amazing

Is how far He brought us from

While we were lost and filthy
He redeemed us as His own
He cleaned and healed and dressed us
To stand loved before His Throne

We have this picture
This beautiful love
Gives us a glimpse of
Our Bridegroom above
And earthly marriage
Will one day grow dim
When with great joy we
Finally see Him

Our parents for their godly example and their constant love, support, and prayers

Laura Woodhouse and Julie Gates for decorating and making the bouquets

Nickie Biegler for designing our invitations and wedding graphics

Stephen Mally for running the videography and live stream

Beth Tuecke and Julie Gates for making Sarah's veil

Kaylee Bechtold for altering the bridesmaid dresses

Eric McDonald for introducing us to each other ©

Thank you so much for celebrating with us today!
